This villa style home lives like a single-family home, with everything remodeled in the last few years. Living room has wood burning fireplace, and opens up to a large, screened porch. Master bedroom has a huge walk-in-closet and totally renovated bathroom with walk-in-shower and soaking tub, duel counter sinks with Quartz counter-tops. The den-office is located off the dining room and has access to the guest bathroom. The second bedroom opens up to a small, screened porch as well. The 2-car garage is oversized, and both garage door and side entrance door were replaced in 2023 and extra space for a work bench. Woodbridge is located on 13 acres, with 60 villas and the amenities are tennis/pickleball courts, Manor house with 2 suites available to rent for guests and heated swimming pool.
